For Kids

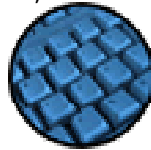

Description

The Internet can be an overwhelming place if you're a kid. Trying to find age-appropriate information that is reliable can be challenging. That's why we created the For Kids section of the ipl2. From story time to homework to games & puzzles, trust us to lead the kids in your life to quality information you can trust!

Benefits

- Help with numerous topics from homework, hobbies, health & nutrition, and more!
- Topics are divided by subject making searching easy.
- Each website is evaluated by librarians before it even goes up on the website so you can be sure it is information you can trust.

Categories

- Reference
- Health & Nutrition

For Teens

Description

Teens need a space all their own. The ipl2 has created a fun and educational collection of websites just for teens, focusing on the issues that matter most to them! We're taking the guesswork out of finding trustworthy sites that appeal to what teens care about.

Benefits

- Well-organized categories provide helpful links to homework help, teen health, finances, and more!
- Get quality sources approved by librarians so the teens in your life can be sure the information on the ipl2 is information they can trust.

Categories

- School & Homework Help
- A+ Writing Research Paper Guide
- Reading & Writing
- TeenSpace Poetry
- Graphic Novels
- Procrastinator

Resources for Parents & Teachers

We even have a section for you!

At the Teachers and Parents Corner, find resources the ipl2 has marked that can give you resources that you can trust too!

Find information on:

- Creating lesson plans
- Teaching children to read
- Fun activities
- Computer skills
- Much More!

Just look for the link at the bottom of the For Kids page on the ipl2.

Another great resource for Kids and Teens is our Pathfinders Subject Guide Section.

Let **Pathfinders** help you get started researching today.
